Introduction to Brioche Knitting

Tutor: Claire Bentley of Cookston Crafts

Are you keen to enhance your knitting skills? Then look no further than this great workshop and discover brioche knitting. The workshop will cover reding a brioche pattern, working with two colours of yarn, working in the round, fixing mistakes, working increases and decreases – and optional continental knitting demonstration. At the end of the class you will have knitted part of a brioche cowl and have the confidence to begin a brioche project of your own!
