## Crochet a Rope Basket

### Tutor: Fiona Meade

Create a beautiful chunky basket using natural cotton rope, perfect for storage and display. In this class you will make one basket, approximately 30 cm in diameter and 15-18 cm high.

**Please Note: Crocheting rope can be quite physical as the coarse material is crocheted quite tightly to give structure to the finished product. This class is not suitable for those with any weakness in their arm, hand or wrist.**
