Dorset Buttons 1 : The Crosswheel

Tutor : Tania Ashton-Jones (TJ Frog)

Learn about the techniques and history of the heritage craft of Dorset Button making.

Using rings and beautiful hand-dyed yarns start with the four techniques of casting, slicking, laying and rounding to make the famous Crosswheel design.

With these techniques mastered, there will be an opportunity to explore other stitches to make your own design. Use your hand-crafted Dorset Buttons to add a personal touch to embellish your projects.

This class was a sell-out at Aberdeen Yarnfest 2018, so book up quickly to make sure you don't miss out!
