Mosaic Knitting

Tutor : Carol Meldrum (Beatknit)

Get all adventurous with colour and pattern exploring the world of mosaic knitting! The fabric might look like fair isle, but this technique is based on a simple 2 row stripe, slipping the stitches in turn to add pattern to the fabric so no floating or weaving is involved. On the day, we will work through the basics to create a bold, graphic inspired design and have a better understanding of how the techniques work by completing swatches. All participants will be given a Carol Meldrum Mosaic Knit pattern to take home and work on.
