Punch Needle

Tutor : Stéphanie Fradette (Le Petit Moose)

In this workshop you will be taught how to transfer your chosen design onto the backing, how to use the needle punch tool to create texture and finishing techniques. Participants will be able to choose from a few patterns or design their own – the more contrasting the motif the better! A wide selection of yarns will be available for you to experiment with. This is a very easy and relaxing craft and this class is suitable for a complete beginner. At the end of the class, you will have a complete 6” hoop to take home.
